Sir,

With reference to your docket No 2840/M1.35-11-18 dated the 20th October 1911, about the proposal to entertain two additional Sub Registrars of Births and deaths for this Municipality, I have the honour to report that the systems of Registration of Births and Deaths in practice in the Mysore and Bangalore --- Cities differ considerably from each other, as is evident from the statement below -

Particulars of Establishment &c,	Bangalore City	Mysore City
Registrars	In all nine, one for each of the 8 Divisions, and the 9th a relieving hand	Twelve in all, and two more proposed, at the rate of two for each of the 7 Divisions
Grate Peons	One for each Sub-Registrar to help registration &c, during the absence of Sub-Registrar from his office	No peons are proposed, but two Sub-Registrars to attend in turn only
Is certifi-	To obtain one is not compulsory	Is compulsory. It, therefore, necessitates presence of Sub-registrars at the Station at all hours of the day
Grounds for and burning	All the grounds are guarded	Disallowed by Government recently vide letter No 52 of M1 91-10-12 dated 12-12-12

2 I beg to state that, as the spirit of the Bye-laws required the Sub-registrars to be at the station always, and as, at the same time, the sense of the Municipal Council seemed to be in favour of their moving about also in search of information, it was found necessary to propose two sub-registrars for each of the seven Divisions

3 Again, as there are no watchmen for the numerous burial and burning grounds in the City, it is advisable to continue compulsory Death certificate system, difficult though it has been to enforce

4 I, therefore, submit that either the system in vogue in Bangalore be adopted in total, or that the present system in Mysore be allowed to continue with an addition of two sub-registrars proposed
